COMMITMENT

Everscale Promotion On Forklog

PREAMBLE

ForkLog is a premier cryptocurrency news platform, renowned for delivering the latest updates, in-depth analysis, and comprehensive coverage of the digital asset ecosystem. Trusted by enthusiasts, investors, and industry professionals, ForkLog provides timely insights on blockchain technology, market trends, regulatory developments, and emerging crypto projects. With its commitment to accuracy and impactful reporting, ForkLog plays a pivotal role in shaping conversations within the ever-evolving world of cryptocurrencies.

As a long-term partner of Everscale, ForkLog is dedicated to promoting the network and its ecosystem to its extensive audience. This commitment outlines the promotional activities and timelines to increase awareness and foster engagement with the Everscale ecosystem.

COMMITMENT

We commit to executing a comprehensive promotional campaign to enhance Everscale's exposure and grow awareness about its network and ecosystem among ForkLog's audience. The campaign will be completed no later than June 30, 2025 and will include the following activities:

1. Articles

- ☒ ~~“Everscale Commitments: A New Form of Airdrop or the Governance Revolution?”~~ (a long-form article, including a repost in ForkLog's Telegram channel)
- ☒ ~~“SparX Wallet Review”~~ (a news article, including a repost in ForkLog's Telegram channel)
- ☐ **“Everscale Fast Finality Protocol Upgrade”** (a press release, including a repost in ForkLog's Telegram channel)

As confirmation, we are attaching links below.

TERM

The activities outlined above will be completed by **June 30, 2025**.

FUNDING

The proposed ForkLog promotional inventory is valued at approximately \$19,550 (including a 15% discount), equivalent to 1,165,000 EVER.

Upon successful completion of the activities, the above amount will be transferred to the following address:

<0:3586190d63a18bee52a24c1c15e37748d62d8177ab72bb1f117b64c7a1d6acad>.

As part of this commitment, we will provide 116,500 EVER tokens as collateral to the Everscale Treasury.

In the event that the outlined activities are not delivered in full by the specified deadline, the collateral will be either burned or transferred to the Everscale Treasury, with no refund provided.

This commitment reflects ForkLog's dedication to supporting Everscale's growth and engagement by leveraging its influential platform to promote the network effectively.
